

Accelerate Your *Business Growth* with AI.

A tailored offering for companies seeking precision international strategy and expansion, expert execution without requiring immediate additional hires

STRATEGIC BUSINESS DEVELOPMENT · CAPITAL MARKETS EXPERTISE · AI-POWERED EXECUTION

WHO WE ARE

Beninvest is a curated association of business owners, investors, and investment bankers with deep expertise in international business development and capital markets — committed to unlocking your company's full potential.

Our Diagnostic

- ◆ **Company Positioning Analysis**
Rapid, sharp assessment of market fit and competitive differentiation.
- ◆ **Ambition Mapping**
A structured conversation to surface your boldest short-term objectives, aligning vision with execution.

Who This Is For

- ◆ Start-Ups ready to scale fast and need strategic clarity to attract capital and customers.
- ◆ Companies or Organizations seeking accelerated international reach and structured growth frameworks.
- ◆ Companies that want results now — without the cost and delay of building a full internal team.

THE SOLUTION

AI Agents, Engineered for Your Growth

01 ALIGN

Validate positioning and align on a shared vision for products, services, and near-term ambitions.

02 DEPLOY

Design and deploy custom AI agents that drive business development at speed and scale, with measurable quality outcomes.

03 GROW

Gain the leverage of a high-performance team — no immediate hires required — at a transparent, accessible service cost.

WHY BENINVEST

- ➔ **Speed to impact.** Our AI-driven approach compresses months of business development into weeks, without sacrificing strategic depth or quality.
- 🏠 **Senior expertise, embedded.** You work directly with seasoned professionals — every recommendation carries real market experience.
- ◆ **Lean by design.** AI agents replace costly interim hires, enabling you to punch above your weight class from day one.
- 📊 **Capital markets fluency.** We speak the language of investors, boards, and partners — giving your growth narrative the credibility it deserves.
